

# Happy Spring!

Dear Laura,

## Thank you for your sponsorship!

Muno is a child who has received real opportunities thanks to your support, a home, food to eat, clothing, and a chance to go to school... all of this, thanks to your kind sponsorship!

## Muno

Muno will be 5 this year. She is a very sweet girl who always gives everybody a smile. She likes to write and learns very fast. She is also very tidy and likes to clean the floor, wall and especially her clothes. She likes cleaning as much as she likes playing. In the nursery the children practice how to write, cut and paste. They also learn the numbers from 1 to 5. Every week they sing Thai, Burmese and English songs. They learned twinkle twinkle little star, hokey pokey and if you're happy and you know it clap your hands.
